

NRC2024 Andrew Kim Memorial Foundation Scholarships Announcement

Dear Young Scholars of KSEA,

On behalf of the organizing committee of the Northeast Regional Conference (NRC) 2024, we would like to invite you to apply for Andrew Kim Memorial Foundation (AKF) Scholarships, which was created to commemorate Mr. Andrew Kim, who died on September 11 attack. Since 2018, the AKF has awarded scholarships to young scientists and engineers like Andrew, who loved science, at the NRC each year.

The NRC is jointly organized by the Korean-American Scientists and Engineers Association (KSEA) New Jersey, New York Metropolitan, and Philadelphia Chapters. NRC 2023 will be held on April 13rd, 2024 at Montclair State University, and will bring together faculties, researchers, engineers, post-docs, graduate, and undergraduate students from all disciplines of science and engineering. During the NRC 2024, the selected awardees will have an opportunity to present their work at the conference. We encourage everyone to participate in this scholarship award opportunity. All post-secondary students (undergraduate and graduate students) and early career scholars, including post-doctoral researchers, are welcome to apply. We highly encourage applications from undergraduate and graduate students.

Eligibility:

- All post-secondary students (undergraduate, graduate students) and early career scholars including post-doctoral researchers.
- Definition of Early career scholars
 - Applicants who received the doctoral degree within 5 years (after April 1, 2019) or
 - who received the bachelor's or master's degree within 10 years (after April 1, 2014) or
 - who are in the degree courses (undergraduate, graduate students)
- Must be a KSEA member to participate in the scholarship competition. If not, please become a member today at <https://www.ksea.org/user/Application.aspx>.
